REPORT

ON THE

Administration of Civil Justice in Burma

FOR THE YEAR 1929.

I.—INTRODUCTION.

1. The report for the year 1927 was the first to include all the details of the work of Civil Courts and the Judges thereof, the inclusion of which was recommended by the Civil Justice Committee of 1924-25. In paragraph 1 of that report it is indicated that inclusion of these extra figures was an experiment which might not be justified in view of the expense and labour of compilation. It has now been decided to omit them from the Provincial statements. Of the latter, Statement A, the statement showing the Civil Business disposed of by the High Court, remains the same as for 1928, except that the cross-heading "Second Appeals from Appellate orders of Subordinate Courts" has been deleted. Statement B, which deals with the Civil and Criminal work done by the Judges and Additional Judges of District, Subdivisional and Township Courts, has been considerably reduced in bulk. There have been deleted from it all references to Civil Miscellaneous Cases or Appeals, Applications for Execution, and Criminal Miscellaneous Applications. It has also been subdivided into three parts dealing separately with District and Sessions Courts, Subdivisional Courts, and Township and Small Cause Courts. Statement C has been retained without change. Statements D, E, F, G and H of the 1928 report have been cancelled. Statement I of the 1928 report becomes Statement D. Statement J has been cancelled, and Statements K, L Part I, and L Part II of last year's report become Statements E, F Part I, and F Part II.

2. The year 1928 was lacking in outstanding events. The commencement of the functioning of the Bar Council under the Indian Bar Councils Act is the subject of later reference. Comment is reserved for

next year on proposals for the reorganization of the combined offices of the Administrator-General, Official Trustee, Official Assignee, and Official Receiver, now held by a single officer.

3. Considerable changes were made during the year under report in the constitution of subordinate Courts. The post of Additional Magistrate at Kyaukse, held by a member of the Subordinate Judicial Service, was converted into the post of Subdivisional Judge and Additional Magistrate, the status of the post being raised to include it in the number of those staffed by the Burma Judicial Service. To counterbalance this, one of the posts of Additional Magistrate at Moulmein was altered from a Burma Judicial Service appointment to a Subordinate Judicial Service appointment. The new Subdivisional Judge at Kyaukse was appointed Additional Judge of the District Court. The post of Additional Magistrate at Madaya was converted into that of Township Judge of Madaya. The Township Officer of Madaya is no longer an Additional Judge of the Township Court. At Mogaung the Assistant Township Officer was appointed to be an Additional Judge in the Township Court. The Small Cause powers of the Township Courts of Prome, Shwedaung, Thayetmyo, Minhla (East), Minhla (West), Gyobingauk, Zigôn, Pyu, Waw, Sagaing, Shwebo, and Wetlet, were reduced from Rs. 200 to Rs. 100 to bring them into line with other Township Courts, the policy being to restrict the Small Cause powers of these Courts to Rs. 100 and to give litigants in suits above this valuation a right of appeal to the District Court. The appointment of the Judges of the Subdivisional Courts of Tharrawaddy and Zigôn, Hanthawaddy, Magwe and Taungdwingyi, and Monywa, to be Additional Judges respectively of the District Courts of Tharrawaddy, Hanthawaddy, Magwe, and the Lower Chindwin, were cancelled. In the Lower Chindwin District it was found unsuitable that the Subdivisional Judge, who was also the Subdivisional Officer, should remain an Additional Judge of the District Court. In the other three districts there are whole-time Additional District Judges, and it was no longer necessary that these Subdivisional Judges should act as Additional District Judges. The Additional Magistrate at Shwebo was appointed to be an Additional Judge of the Township Court there. A new post of Township Judge was created at Monyo. One of the posts of Additional Magistrate at Pegu, held by a member of the Subordinate Judicial Service, was transferred to Nyaunglebin. The post of Additional Magistrate at Danubyu was abolished.

The splitting up of linked Township Courts continued during the year. The Township Court of An was detached from the linked Courts of Kyaukpyu and Ramree ; and the Township Courts of Thatôn and Paung were separated, the post of Additional Magistrate at Paung being converted into that of Township Judge. In Tavoy District there

was a reorganization of the Township Courts, there being combinations of Tavoy and Yebyu, and of Launglon and Thayetchaung. The Township Court at Ingabu was invested with Small Cause powers in suits up to Rs. 100 in value. In Meiktila District the Judge of the linked Township Courts of Meiktila and Mahlaing is now peripatetic between these Courts, while the Judge of the linked Township Courts of Thazi and Wundwin is similarly peripatetic between the headquarters of these Townships. The temporary appointments of Additional District and Sessions Judges referred to in the report for 1928 remained on the same basis during 1929, but at the time of writing the present report final orders are expected at an early date on the question of the status of Additional District and Sessions Judges. When these orders have been received it will be possible to make permanent arrangements for the District and Sessions Court concerned.

Mr. Justice Baguley and Mr. Justice Mya Bu for three weeks in May and June, and Mr. Justice Baguley and Mr. Justice Otter for about three weeks in December.

Imperial Statements Nos. 27, 28 and 29 and Provincial Statement A.

5. **Original Side.**—Six hundred and sixty-five Civil Regular suits were filed on the Original Side of the High Court in 1929, as compared with 656 in 1928 and 631 in 1927. The aggregate value of the suits instituted came to over 84½ lakhs of rupees as compared with over 76 lakhs in 1928 and approximately 61 lakhs in 1927. Six suits were received by transfer from other Courts, as compared with 15 in 1928 and 7 in 1927. The number of suits disposed of during the year was 786 as against 837 in 1928 and 552 in 1927. Of the suits disposed of 226, or 28·7 per cent., were contested, as against 246, or 29·3 per cent., in 1928. The number of suits pending at the close of the year was 282, as against 388 in 1928 and 542 in 1927. There has therefore been another very appreciable diminution in the pending file of the Court. Of the contested suits 165, or 73 per cent., were decided in favour of the plaintiff, as against 178 or 72·35 per cent. in 1928, and 90 or 66·66 per cent. in 1927.

The duration of contested suits was reduced from 276 days in 1928 to 246 in 1929. That the duration was not further reduced is due to the fact that a large number of long pending suits were disposed of during the year. The duration of uncontested suits increased by one day from 140 days in 1928 to 141 in 1929. The maintenance of this

rate of duration was due to the fact that many suits which were contested at the outset, and in which written statements were filed, were compromised or decided *exparte* eventually and therefore shown as disposed of uncontested.

6. **Executions**.—The number of applications for execution of decrees rose to 671, as compared with 597 in 1928 and 626 in 1927. The amount realised in execution was however only Rs. 4,63,877 as against Rs. 5,06,377 in 1928, there being a decrease in the number of cases in which satisfaction was obtained in full. The number of applications for disposal, including those pending from the previous year, was 855, while the number disposed of was 674, leaving 181 pending at the close of the year. Of the applications disposed of, 97 were transferred to other Courts, and 373 were wholly infructuous. In 111 cases satisfaction was obtained in full, and in 93 cases satisfaction was obtained in part. The percentage of applications which were successful in whole or in part remained, as in the two previous years, only 30 per cent. Provincial Statements A and E.

7. **Insolvency**.—The number of applications in Insolvency presented during the year was 318 as compared with 262 in 1928 and 239 in 1927. The number of cases disposed of rose to 291, as against 271 in 1928; but at the end of the year there was an increase of the pending file by 27 cases, from 178 in 1928 to 205 in 1929. Of the applications made during 1929, 40 were made by creditors, and altogether 95 persons were adjudged insolvent. The increase in the number of Insolvency cases during the year reflects the unsettled state of the markets. Provincial Statement A.

8. **Miscellaneous**.—The number of miscellaneous cases filed during the year was 275, as against 280 in 1928 and 248 in 1927. The total number of cases for disposal was 311, of which 270 were disposed of. Of the cases decided 49 were disposed of after contest, and 221 without contest. The durations of contested and uncontested cases in 1929 were respectively 72 and 46, while the corresponding figures for 1928 were 88 and 45. Of the cases instituted during the year 30 were applications for Probate, 95 for Letters of Administration, 56 under the Civil Procedure Code, 44 under the Guardians and Wards Act, 2 under the Registration of Business Names Act, 2 under the Indian Companies Act, and 46 under other Acts. Imperial Statement No. 30 and Provincial Statement A.

9. From the 786 suits decided on the Original Side there were 76 appeals to a Bench of the Court. Of these appeals 23 were wholly unsuccessful, while in 8 cases the original decrees were modified or reversed. The remaining 45 appeals were still pending at the time of writing this report.

Imperial Statement No. 31 and Provincial Statements A and D.

10. **Appellate Side.**—The number of first appeals instituted during the year was 274 at Rangoon and 32 at Mandalay; the corresponding figures for 1928 were 298 at Rangoon and 29 in Mandalay, while those for 1927 were 346 at Rangoon and 28 at Mandalay. Including the cases pending from the previous year there were 431 first appeals for disposal at Rangoon and 43 at Mandalay. Of the appeals for disposal at Rangoon 132 were from the Original Side of the High Court.

First Appeals.

At Rangoon there were disposed of during the year 259 appeals as against 400 in 1928, the pending file increasing to 172 cases at the end of the year as compared with 157 in 1928. Of the appeals disposed of 209 were contested and 50 were uncontested. The fall in the number of cases disposed of during the year under review was due to there having been only 179 days of Bench sittings as compared with 231 in 1928. Against the increase in the pending file of first appeals by fifteen cases, as compared with 1928, there is to be offset a decrease in the duration of the appeals disposed of from 219 to 197 days. The average duration would have been even less but for three Land Acquisition cases remanded by the High Court for further evidence and findings and received back from the District Court of Pegu only after the lapse of 10½ months. The decisions of the original Courts were confirmed in 173 cases or nearly 67 per cent. as against 53 per cent. and 66 per cent. of confirmations in 1928 and 1927 respectively. As only 40 appeals were dismissed summarily under Order XLI, Rule 11 of the Civil Procedure Code, the figures would appear to indicate that the respondents were served with notice in an unnecessarily large number of cases.

At Mandalay, of the 43 first appeals for disposal, 25 were disposed of as against 39 in 1928, leaving a pending file of 18 as compared with 11 in 1928 and 21 in 1927. Of the appeals disposed of 22 were contested. The average duration was still further reduced from 178 to 174 days. The decisions of the original Courts were confirmed in 13 cases, or 52 per cent., as against 27 cases, or 69 per cent., in 1928.

Imperial Statement No. 31 and Provincial Statements A and D.

Six hundred and fifteen second appeals were instituted during the year 1929 at Rangoon and 188 at Mandalay. The corresponding figures in 1928 were 675 and 185 respectively. Including cases pending from the previous year there were altogether 918 second appeals for disposal at Rangoon and 260 at Mandalay.

Second Appeals.

At Rangoon 645 second appeals were decided, leaving a pending file of 273 at the close of the year, as compared with 303 carried forward in 1928 and 432 in 1927. Here again there was a reduction in average duration, from 181 days to 149. The decisions of the lower Appellate Courts were confirmed in 437 cases or nearly 68 per cent.

One hundred and forty three appeals were dismissed summarily under Order XLI, Rule 11 of the Civil Procedure Code. The same disparity between the figures of appeals summarily dismissed and those of confirmation of the lower Courts' decisions is observable as in the case of first appeals.

At Mandalay 171 second appeals were decided, leaving at the end of the year 89 cases as against 72 in 1928 and 76 in 1927. The increase in the numbers of the pending file was due to the remand of five cases for the recording of further evidence, and to the fact that a large number of the cases were filed in the latter part of the year. The average duration of second appeals at Mandalay increased from 98 days in 1928 to 104 days in 1929. Of the appeals disposed of, 132 were contested ; and the decisions of the lower Appellate Courts were confirmed in 107 cases or 62·57 per cent. as against 68 per cent. in 1928. Only 28 appeals were dismissed summarily under Order XLI, Rule 11, of the Civil Procedure Code. At Mandalay the disparity between the numbers of appeals summarily dismissed and of those in which the lower Courts' decisions were confirmed was even more marked than at Rangoon, the appeals summarily dismissed at Mandalay being approximately 26 per cent. of the figures for confirmations, as compared with roughly 30 per cent. at Rangoon.

Letters Patent Appeals.

Imperial Statement No. 32 and Provincial Statement A.

At Mandalay four appeals under the Letters Patent of the High Court were instituted during the year, all four remaining pending at the close of the year. At Rangoon 9 special appeals under the Letters Patent were instituted, and with the addition of the 8 pending from the previous year there were 17 cases for disposal. These appeals were from single Judge decisions certified under clause 13 of the Letters Patent as being fit for further appeal. Fifteen were disposed of during the year, leaving only 2 pending. In the average duration of Letters Patent Appeals there was a further substantial reduction from 263 days to 184 days.

Miscellaneous Appeals.

Imperial Statement No. 32 and Provincial Statement A.

The number of miscellaneous appeals instituted was 208 at Rangoon and 50 at Mandalay, as compared with 177 at Rangoon and 58 at Mandalay in the previous year. Including the cases remaining pending from the previous year there were 293 miscellaneous appeals for disposal at Rangoon and 57 at Mandalay. At Rangoon 206 appeals were decided, leaving 87 cases pending ; and at Mandalay 39 were decided, leaving 18 pending at the close of the year. The average duration of these appeals decreased from 149 to 122 days at Rangoon, and increased from 121 to 157 at Mandalay. The reduction in duration would have been even greater but for the exceptional durations of a few big cases which affected the average for the year.

Imperial Statement No. 31 and Provincial Statement A.

Revisions.

Four hundred and seventy-five Civil revisions were instituted at Rangoon and 148 at Mandalay during 1929, the corresponding figures for the previous year being 335 and 142. Including cases pending from the previous year there were 575 revisions for disposal at Rangoon and 180 at Mandalay. Of the cases for disposal 250 at Rangoon and 63 at Mandalay fell under section 25 of the Rangoon and Provincial Small Cause Courts Acts, while 325 at Rangoon and 117 at Mandalay came under section 115 of the Code of Civil Procedure. Four hundred and eight civil revisions were disposed of at Rangoon and 132 at Mandalay, leaving pending files of 167 cases at Rangoon and 48 cases at Mandalay, as compared with 100 at Rangoon and 32 at Mandalay at the end of the previous year. The durations of civil revisions at Rangoon decreased from 115 to 92 days, but at Mandalay they increased from 53 to 73 days. The percentages of successful applications were only 20 under the Small Cause Courts Act and 19 under the Code of Civil Procedure as compared with 26 and 28 respectively in the previous year. Of the applications decided, 191 at Rangoon, and 57 at Mandalay were summarily rejected.

Provincial Statement A.

References.

At Mandalay there was made during the year only one reference under section 113 read with section 46 of the Code of Civil Procedure, this case being disposed of in 6 days. At Rangoon 13 references were made during the year, and, there being 5 pending from the previous year, there was a total of 18 for disposal. Of these 14 were decided and 4 remained pending at the close of the year. Of the 14 cases decided one was a reference made by the District Magistrate of Thaton under section 27 of the Workmen's Compensation Act (VIII of 1923), 3 were made by District Judges under section 17 of the Indian Divorce Act, 6 were made by the Commissioner of Income-tax under section 66(2) of the Indian Income-tax Act and 4 were references made under rule 30 of the Appellate Side Rules (Civil). All the references, excepting three of those made by Judges of this Court under the Appellate Side Rules, were disposed of by Benches of three Judges. One of the references made under rule 30 of the Appellate Side Rules was heard by a Bench of nine Judges, a second by a Bench of five Judges and a third by a Bench of four Judges. The average duration of references fell considerably, from 129 days in 1928 to 100 days in 1929.

General.

Although there has been a downward tendency in the number of institutions since 1927 in respect of first and second appeals the total number of cases of all classes disposed of on the Appellate Side fell short of the number of institutions during the year, the figures being 1,547 and 1,594. The total numbers of cases of all kinds instituted in 1927 and 1928 were respectively 1,751 and 1,594, the corresponding total figures of disposals

being 1,922 and 1,754. On the other hand the great reduction in the duration of cases is a matter for congratulation, the average duration of all classes of case being 140·85 days in 1929, as compared with 176 days in 1928 and 193·66 days in 1927.

11. **Privy Council Appeals.**—From the High Court at Mandalay there was one appeal pending before their Lordships of the Privy Council at the end of the year 1928. This appeal was dismissed for want of prosecution before the Privy Council, and no fresh case was instituted in the year under report. In the High Court at Rangoon the number of cases in which leave to appeal to Privy Council was granted during the year was only 5. Twenty-two appeals were pending before their Lordships of the Privy Council at the end of the year 1928, there being thus 27 cases for disposal in 1929. Twelve appeals were disposed of during the year, and 5 were dismissed for default or for failure to furnish security, leaving 10 appeals on the file at the close of the year. Of these pending cases 9 were actually pending in the office of the Privy Council, and one was still under preparation in the office of this Court.

III.—RANGOON SMALL CAUSE COURT.

12. **Number and Value of Suits instituted.**—The number of suits instituted in the Rangoon Small Cause Court during the year 1929 shows a considerable increase, the figures being 11,770 as against 11,186 in 1928. Including the pending files carried over from the previous year and suits revived and remanded, but excluding suits transferred, there were 14,103 cases for disposal. Twelve thousand six hundred and eighty-eight suits were disposed of as compared with 11,393 in 1928. Thus, in spite of an increase of 584 in the number of suits instituted during 1929, the increase in disposals resulted in a decrease in the number of suits pending at the close of the year, from 2,083 to 1,415. Of the suits decided 3,806, or 30 per cent., were contested, the percentage being the same as in 1928.

Imperial Statements Nos. 27, 28 and 29 and Provincial Statement C.

The value of the suits instituted rose from 31·04 lakhs in 1928 to 32·47 lakhs. There was a slight decrease in the number of suits below Rs. 50 in value, and as usual the large majority of the suits fell between Rs. 50 and Rs. 500 in value.

The average duration of uncontested cases fell from 39 to 37 days, while that of the contested suits fell from 124 to 116 days. The decrease in the number of pending suits in spite of the increase in the institutions, and the reduction in the duration of cases, are satisfactory.

13. **Executions.**—The number of applications for execution during the year again showed an increase by 825 to 10,584. Ten thousand four hundred and sixty-six applications were decided, leaving a pending file of 983 cases, an increase of 118 pending cases above the

Provincial Statement E.

figures of the previous year. The total amount realized in execution was 4·31 lakhs, an increase of Rs. 28,655 over the figures of the previous year. Of the applications decided 962 were transferred to other Courts, 2,267 were wholly successful, 1,204 were successful in part, and 6,033 were wholly infructuous. The percentage of success rose slightly from 34 to 37 per cent. Two hundred and sixty-seven judgment-debtors were imprisoned, and 1,027 were arrested but released without imprisonment.

Imperial Statement No. 30.

14. **Miscellaneous.**—The number of miscellaneous applications before the Court during 1929, including those pending from the previous year, was 1,085 as compared with 1,090 in 1928. Of these applications, 981 were disposed of leaving a pending file of 104 cases, an increase of 24 over the number pending at the end of the previous year. The increase in the pending file in spite of the decrease in the number of cases for disposal is a repetition of what happened in the previous year, and indicates the continued necessity for more serious effort to cope with this branch of the Small Cause Court's work. During the year there were three appeals against municipal assessments. They were disposed of with an average duration of 140 days. One election petition under the Rangoon Municipal Act remained pending from the previous year and was disposed of in 24 days.

Five hundred and ninety-two applications for the issue of distress warrants, under Chapter V of the Rangoon Small Cause Courts Act, were made by landlords during the year, the corresponding figure for 1928 being 457. Including the number of applications pending from the previous year there were altogether 598 applications for disposal. Of these, 11 were rejected, 32 were dismissed, and in 177 cases the warrants were returned unexecuted. Seventy-nine cases were compromised, and in 132 cases the whole or a part of the distrained property was sold. In 42 cases the full amount was paid before seizure, and in 95 cases payment was made after the seizure of property. Thirty-six applications were filed by third parties in connection with the issue of distress warrants, and including the number pending from the previous year there were 38 for disposal. Of this number 11 were wholly successful, one was compromised, 20 were dismissed, and six remained pending at the close of the year. In 18 cases attachments of goods were raised, wholly or in part, on the applications of third parties. Twelve applications for the issue of distress warrants remained pending at the close of the year.

IV.—SUBORDINATE COURTS—ORIGINAL JURISDICTIONS.

Imperial Statements Nos. 27 and 28 and Provincial Statement C.

15. **Number and Value of Suits.**—The number of new suits instituted in Courts outside Rangoon continued to increase, the total figures for all Courts rising from 56,425 in 1928 to 57,005 in 1929.

Including suits received by transfer and suits remanded or revived, the total number of cases for disposal during the year was 57,853 as against 57,306 in 1928, an increase of 547 on the figures of the previous year. In District Courts the number of suits instituted rose by 73, while the number of suits in Subdivisional Courts rose by 177 and in Township Courts by 742. On the other hand in Small Cause Courts there was a decrease of 412. The increase occured mainly in suits for money or moveable property, this class of suits alone showing an increase of approximately 1,000, although there was also a small increase of 236 on mortgages and suits to enforce a right of redemption. There were on the other hand decreases in the numbers of suits concerning immoveable property, suits for specific relief, and matrimonial and testamentary suits. The increase in institutions was spread over suits of all values with the exception of petty suits between Rs. 10 and Rs. 100. This is illustrated by the fact that, although the total value of suits increased from 269·20 to 309·20 lakhs the value of suits instituted in the Small Cause Courts alone decreased from Rs. 11,35,194 to Rs. 10,99,227. The increases in the value of the suits instituted in Township Courts, Subdivisional Courts, and District Courts, were respectively from 81·74 lakhs to 87·57 lakhs, from 58·35 lakhs to 66·78 lakhs, and from 117·75 lakhs to 143·85 lakhs.

The largest increases in the number of suits instituted in Township Courts occurred in the Districts of Shwebo (308), Myingyan (287), Bassein (216), Myaungmya (205), Magwe (155), Lower Chindwin (112), and Thatôn (107). The largest decreases in the number of suits instituted in Township Courts occurred in Akyab (184), Minbu (174), Toungoo (163), Pegu (148), Kyauksè (131) and Upper Chindwin (118).

In Small Cause Courts the largest increases in institutions were in Magwe (134), Pakôkku (91), Yamethin (80), Pyapôn (67), Amherst (67), Mandalay (61), Minbu (55) and Kyaukpyu (54). The most conspicuous decreases in the number of suits instituted in Small Cause Courts will be found in Tharrawaddy (218), Prome (185), Pegu (171), Thayetmyo (137) and Henzada (121).

In Subdivisional Courts the largest increases in the number of suits instituted occurred in the Districts of Bassein (102), Maubin (52), Hanthawaddy (45), Insein (39), and Kyaukse (33). There were no conspicuously large decreases in suits instituted in Subdivisional Courts, the highest figures coming from Prome (33), Pakôkku (27), Yamèthin (24), Toungoo (22) and Myaungmya (18).

As regards District Courts, the main increases in institutions occurred in Pyapon (15), Bassein (12), Magwe (11), Sagaing (11), Amherst (10), Hanthawaddy (8) and Myingyan (8). In only 4 District Courts were there decreases of 4 or more institutions during the year. These were in Toungoo (10), Kyaukse (10), Meiktila (5) and Pakôkku (4).

In Township Courts the value of suits instituted increased by 1·74 lakhs in Magwe, 1·29 lakhs in Bassein, Rs. 69,000 in Myingyan, Rs. 61,000 in Insein and Rs. 58,000 in Hanthawaddy. The districts in which there occurred the largest decrease of valuation in suits instituted in Township Courts were Pegu (71,000), Thaton (46,000), Meiktila (22,000), Akyab (22,000) and Henzada (20,000).

The Small Cause Courts of Mandalay recorded an increase of 17,000 in the valuation of suits, the other chief increases being at Magwe (14,000) Amherst (13,000), Maubin (5,000) and Pakokku (5,000). There were very substantial figures of decrease in valuation in some Small Cause Courts, particularly in Tharrawaddy (31,000), Pegu (30,000), Prome (13,000) and Thayetmyo (11,000).

In Subdivisional Courts the largest increases in the valuation of suit, quoted in thousands of rupees, were reported from Bassein (267), Pyapôn (152), Hanthawaddy (143), Prome (143), Maubin (103) and Insein (93). The largest decreases in valuation, similarly quoted in thousands of rupees, occurred in the district of Pakokku (56), Yamèthin (33), Thayetmyo (32), Toungoo (31), Lower Chindwin (28) and Mandalay (28).

In District Courts there were several very considerable rises and falls in valuation. Increases, in lakhs of rupees, occurred in Bassein (8·16 lakhs), Yamethin (5·16 lakhs), Amherst (5·03 lakhs), Pyapon (4·56 lakhs), Tharrawaddy (3·87 lakhs), Sagaing (3·49 lakhs) and Pegu (3·07 lakhs). There were correspondingly large decreases in valuation in the districts of Hanthawaddy (7·46 lakhs), Akyab (4·38 lakhs), Prome (2·33 lakhs), Lower Chindwin (1·50 lakhs) and Insein (1·01 lakhs).

Imperial Statement No. 29 and Provincial Statement C.

16. **Disposals.**—The total number of suits for disposal before Courts of all classes, including suits remanded or revived, was 61,729, as compared with 61,664 in 1928. The total number of suits disposed of was 58,260 as compared with 57,708 in the previous year. The greater increase in the number of suits disposed of as compared with the increase in the number of suits for disposal indicates a healthier position in the work of the Courts as a whole. In the Township Courts, Subdivisional Courts and District Courts the number of suits decided rose respectively from 36,059 to 36,732, from 3,456 to 3,686, and from 742 to 842. In the Small Cause Courts, on the other hand, the number of suits decided fell from 17,451 to 17,000. In 11 districts, namely Sandoway, the Hill District of Arakan, Thayetmyo, Thaton, Tavoy, Magwe, Shwebo, Myingyan, Pakokku, Bhamo, and Upper Chindwin, the total number of suits instituted exceeded the number of suits disposed of.

Of the suits disposed of 13,385, or 23 per cent. were contested. The proportion of contested cases in Township Courts was 24 per cent., in Small Cause Courts 17 per cent., in Subdivisional Courts 36 per cent., and in District Courts 53 per cent. There is no marked difference between these percentages and the corresponding percentages in 1928.

17. **Pending Cases.**—The year 1929 closed with a total pending file of 3,469 suits as against 3,956 in 1928 in Subordinate Courts, a reduction of 487. There was still another reduction in the number of cases pending for more than three months, from 651 in 1928 to 551 in 1929. There was also a reduction from 596 to 540 in the number of cases pending for over a year. Of the latter no less than 491 were Zeyawaddy Grant suits pending in the Subdivisional Court of Pyu at the end of the year. The lengthy nature of the Zeyawaddy Grant cases has been commented on in the reports for previous years. Excluding these Zeyawaddy Grant suits there were in all the Subordinate Courts only 49 suits pending for more than a year. In the small size of this figure there is considerable reason for satisfaction.

Imperial Statement No. 29 and Provincial Statement C.

The largest increases in the pending files of Township Courts are recorded from the Districts of Shwebo (108), Thaton (29), Sandoway (27), Myingyan (27), Myaungmya (24), Upper Chindwin (21) and Thayetmyo (19), while the Township Courts recording the largest decreases in their pending files for 1929 are Pegu (199), Bassein (54), Akyab (50), Minbu (45), Tharrawaddy (37), and Pyapon (24). The extent of the pending files of the Township Courts of Pegu District has been the subject of comment in previous years and it is satisfactory to record a decrease in 1929. The smallest pending files recorded by Township Courts were reported from the Hill District of Arakan (12), Minbu (12), Yamethin (17), Bhamo (18), and Kyaukse (19).

In Small Cause Courts the largest increases of pending files are to be found in Magwe (30) and Shwebo (17) ; while decreases are recorded from Mandalay (44), Upper Chindwin (37), Pegu (31), Minbu (25), Tharrawaddy (16), Sagaing (16), and Henzada (15).

In Subdivisional Courts increases in the pending files were recorded from the Districts of Hanthawaddy (17), Maubin (11), Shwebo (10), Mandalay (10) and Thayetmyo (5) ; while considerable decreases were reported from Pegu (45), Pyapon (16), Thaton (12), Toungoo (10), Insein (10), Amherst (8), Akyab (8), and Yamethin (8). Here again complimentary reference must be made to the improvement in Pegu District.

There were no very large increases in the pending files of District Courts the biggest being those of Thaton (7), Amherst (7), Sagaing (7), Insein (6) and Myingyan (5). More important decreases were recorded from District Courts, namely, Pegu (23), Pyapon (15), Mandalay (15) and Kyaukse (7). Credit is due to the District Judge of Pegu for the very considerable reduction in the extent of his pending file.

The number of long-outstanding suits on the pending files of the Township Courts in Pegu District was the subject of adverse comment in the report for 1928. It is satisfactory to note that in the Township Courts of Pegu at the close of 1929 there remained no suits pending for more than a year. There were in fact in the whole Province only two

3

suits pending for more than a year in Township Courts, one in Tharrawaddy District and one in Pyapôn. In Subdivisional Courts the pending files were satisfactory except in the case of Toungoo, where there were still 491 suits pending for more than a year. For the state of the pending file in Toungoo District the Zeyawaddy Grant suits, referred to in the report of 1928, are responsible.

Sixteen District Courts reported suits pending for over a year. In Pyapon there was a case pending since 1924, in Pegu one pending since 1925 and another since 1926, in Hanthawaddy one pending since 1926, in Tharrawaddy one pending since 1927, and in Myaungmya one since 1924 and seven since 1927.

Provincial Statement C.

18. **Duration of Suits.**—The average duration of contested suits rose from 66 days in 1928 to 68 days in the year under report. This rise in the duration of contested suits was offset by a fall in the average duration of uncontested suits, from 31 days in 1928 to 30 days in 1929. For the rise in the average duration of contested suits, the Township Courts alone were responsible, their durations being 67 days for contested suits and 32 for uncontested suits, as against 62 and 32 days respectively in 1928. In the Subdivisional Courts the corresponding figures were, 112 and 44 days, as against 118 and 49 days in 1928. In the Small Cause Courts the figures were 35 and 24 days for 1929, as compared with 35 and 25 days in 1928; while in the District Courts there was a fall in the duration both of contested and of uncontested suits from 189 and 92 in 1928 to 179 and 83 in the year under report.

In the Township Courts there were increases in duration of 20 days or over in contested suits in the Districts of Pegu (44), Bhamo (34), Myitkyina (30), Yamèthin (21) and Toungoo (20). The principal decreases in the duration of contested suits were shown by the Township Courts of Kyaukse (22), Lower Chindwin (16), Prome (15), Mandalay (15), Katha (12) and Akyab (10). In Pegu, Myitkyina, Lower Chindwin, Sandoway and Shwebo, there were average durations of over 80 days. As regards uncontested suits there were rises in the duration in the Township Courts in the districts of Bhamo (12), Myitkyina (11), Shwebo (9), Yamethin (8) and Maubin (7). Substantial decreases on the other hand were recorded from the Hill District of Arakan (26), Magwe (12), Lower Chindwin (9), Kyaukse (6), Henzada (6) and Akyab (5).

In the Subdivisional Courts three large increases in the average duration of contested suits were reported, from the Districts of Bhamo (80), Myitkyina (79), Maubin (61) and Upper Chindwin (52). There were on the other hand large decreases in Pyapôn (149), Sandoway (62), Lower Chindwin (38), Hanthawaddy (29) and Thatôn (26). In uncontested suits in Subdivisional Courts the chief increases in duration were at Pakôkku (22), Minbu (16), Chin Hills (16), Shwebo (15), Meiktila (14), Myaungmya (12), Kyaukpyu (11) and Moulmein (10); there being very

satisfactory decreases in the Subdivisional Courts of Upper Chindwin (67), Tavoy (53), Pyapôn (42), Sandoway (31), Thatôn (31) and Katha (24). In 10 districts the Subdivisional Courts showed an average duration for contested suits of over 120 days, namely in Pegu (206), Maubin (154), Bassein (152), Tharrawaddy (141), Myingyan (130), Myaungmya (130), Shwebo (128), Henzada (127), Bhamo (126) and Hanthawaddy (122). Of these ten Districts, Pegu, Hanthawaddy and Myingyan showed an improvement over the previous year however, though the figures for the other seven deteriorated.

In the Small Cause Courts the districts of Yamèthin, Pakôkku, Shwebo, Meiktila, and Hanthawaddy, all show a considerable rise in the average duration of contested suits, while there were substantial falls in the Upper Chindwin, Mandalay, Myingyan, and Henzada Districts. The Districts showing the highest rise in the duration of uncontested suits were Kyaukse, Yamèthin, and Minbu. On the other hand the Upper Chindwin, Mandalay, and Sagaing Districts showed satisfactory decreases.

There were very high durations for contested suits in the District Courts of Myitkyina (484), Tavoy (356), Pegu (286), Bassein (228), Shwebo (227), Maubin (225), Pyapôn (219), Lower Chindwin (214), Akyab (212), Myaungmya (204) and Toungoo (202). Very great increases over the durations of contested suits for the previous year appear in Tavoy (from 208 to 356), Lower Chindwin (from 86 to 214), Mergui (from 90 to 192), Pegu (from 186 to 286), Akyab (from 120 to 212), Pakôkku (from 62 to 145) and Toungoo (from 121 to 202). It must be remembered that a sudden great increase in durations, so far from being a reason for blame, may be ascribed to a creditable effort to get rid of arrears. This remark applies particularly for example to the case of Pegu, where the District Judge has greatly reduced the pending file. In Minbu the average duration of contested suits dropped by no less than 839 days, this exceptional drop being accounted for by the inclusion in the previous year's figures of one suit of abnormal duration, namely 884 days. Other District Courts showing very large decreases were Myingyan (204), Maubin (146), Kyaukse (112), Pyapôn (103) and Thatôn (89). A very great increase in the duration of uncontested suits was reported from Tharrawaddy (56); but, on the other hand, even greater decreases are to be found in Myitkyina (170), Salween (138), Sagaing (93), Kyaukse (92) and Sandoway (87). Although Maubin and Pyapôn District Courts are mentioned amongst those with a very high duration for contested suits, their figures actually show very great improvement over those of the previous year; and, with the exception of Myaungmya, where there has been a slight increase, improvement has also been shown in the other districts which were pilloried in the 1928 report for excessive duration. It is of course a matter of some difficulty to apportion place or blame categorically on the strength of figures alone. The

circumstances of different cases and Courts and Districts are bound to vary greatly ; and, where specific lapses on the part of individual officers cannot definitely be ascertained, safer conclusions are usually to be drawn from a general upward or downward trend of durations as a whole than from a marked rise or fall in the case of particular Courts.

Imperial Statement No. 30.

19. **Miscellaneous cases.**—There was a considerable increase in the number of miscellaneous cases instituted in 1929 as compared with 1928, the figures rising from 7,063 to 8,364. The increase was spread over all classes of Courts. The total number of disposals shows however that the increase in institutions was very satisfactorily dealt with, 8,274 cases being disposed of as against 6,962 in 1928. The percentage of cases disposed of without contest remained the same as in the previous year, namely 45 per cent. The number of cases pending at the close of the year increased from 1,310 in 1928 to 1,371 in 1929. The smallness of the rise in pending cases is creditable in view of the very much larger rise in institutions. Of the pending cases 593 had been pending for more than three months, while 83 had been pending for over a year, the corresponding figures being 548 and 71 in 1928. All the cases pending for more than a year, except two, were from District Courts. The exceptions came from the Subdivisional Courts of Henzada and Yamethin.

The average duration of miscellaneous cases for all Courts rose from 62 to 64 days, the durations being 78 for contested cases and 52 for uncontested cases. The rise was spread over all classes of Courts. In Township Courts the average duration increased from 35 to 36 days, in Subdivisional Courts from 36 to 52, in Small Cause Courts from 28 to 29 days, and in the District Courts from 103 to 112 days. The average durations for contested and uncontested miscellaneous cases in Township Courts were respectively 44 and 28 days, in Subdivisional Courts 63 and 40 days, in Small Cause Courts 37 and 22 days, and in the District Courts 140 and 91 days.

In Township Courts average durations of over 50 days for contested miscellaneous cases were recorded from Sandoway (70), Magwe (66), Myitkyina (65), Lower Chindwin (61), Mandalay (59), Upper Chindwin (56), Prome (54), Thayetmyo (54), Sagaing (54), Myingyan (54), Pakôkku (54), and Shwebo (52). In Subdivisional Courts there were average durations for the same class of cases of over 60 days in the Districts of Myaungmya (110), Pegu (109), Pyapôn (95), Maubin (81), Bassein (75), Yamethin (69), Henzada (68), Lower Chindwin (66), Minbu (65), Pakôkku (62), Sandoway (61), Hanthawaddy (61) and Tavoy (61). In the report for 1928 comment was made on the fact that in District Courts the figures for miscellaneous cases depend largely on the Insolvency work of the Court. It was at the same time stated that steps were being taken to separate in the next year's statistics the figures of Insolvency

cases from those of miscellaneous cases of other classes. The separation adumbrated was not carried out and separate figures for the duration of Insolvency cases are not available. In District Courts the durations of all classes of contested miscellaneous cases were highest in Pegu (314), Prome (236), Thayetmyo (198), Maubin (172), Amherst (170), Yamethin (166), Myaungmya (165), Akyab (164), Insein (164), Thatôn (161), Sandoway (155) and Hanthawaddy (155).

Large pending files at the end of 1929 were reported from the District Courts of Bassein (103), Tharrawaddy (97), Pegu (86), Hanthawaddy (78), Pyapôn (67) and Mandalay (65).

20. **Execution of Decrees.**—The total number of applications for execution filed during the year again showed an increase, from 46,406 in 1928 to 50,101 in 1929. Including cases pending from the previous year there were 57,485 execution cases for disposal, 51,026 being decided as against 46,012 in 1928. The substantial increase in disposals resulted in a decrease in the pending file from 7,384 in 1928 to 6,459 at the end of 1929, in spite of the increase in the number of applications filed during the year. The amount realised in execution increased from 46·28 lakhs of rupees in 1928 to 55·08 lakhs in the year under report. The percentage of applications disposed of successfully in whole or in part fell however from 42 per cent. in 1928 to 40 per cent. in 1929, 12,547 decrees being satisfied in full and 9,822 in part. The percentage of success was highest in the Districts of Bhamo, Sandoway, Salween, Sagaing, Katha, Upper Chindwin, and Thayetmyo; and lowest in the Districts of Thatôn, Pegu, Amherst, Insein, Bassein and Maubin. It is interesting to note that the highest percentage of success was again recorded from the more unsophisticated districts. Provincial Statement E.

There were 1,350 sales of moveable property and 4,364 sales of immoveable property, as against figures of 1,003 and 2,784 in 1928. The number of judgment-debtors imprisoned rose from 489 to 550. Pegu District showed the highest figures for committal to prison, 75 out of 289 judgment-debtors arrested.

21. **Insolvency Cases.**—There was a large increase in the number of applications in Insolvency presented to District Courts during the year, the figure being 1,359 as compared with 1,089 in 1928 and 1,017 in 1927. Including cases pending from the previous year there were altogether 1,780 cases for disposal. Disposals did not quite keep pace with the increase in work, and 1,254 cases were completed leaving a pending file of 526. In 1928 the figures for disposals and pending cases were 1,019 and 421 respectively. In Insolvency cases it is of course very largely beyond the power of the Judge to expedite the speed of disposal. Four hundred and eight applications were made by debtors under arrest, 840 by debtors not under arrest, 107 by Provincial Statement F.

creditors, and 4 were received by transfer. The work under the Insolvency Act was heaviest in the Districts of Hanthawaddy, Tharrawaddy, Pegu, Bassein, Amherst, Toungoo, Akyab and Pyapon.

The value of creditors' claims proved during the year was 22·65 lakhs of rupees, as against 13·92 lakhs in 1928, while the total value of unsatisfied claims dealt with during the year was 38·70 lakhs. Of this amount 5·20 lakhs were satisfied, while the very large total of 15·50 lakhs was definitely struck off as irrecoverable.

Receivers were appointed during the year in 327 cases as against 254 cases in 1928. Including cases pending from the previous year, the number of cases in the hands of Receivers during the year totalled 509. Of the latter figure 282 were finally disposed of, while 227 remained in the hands of Receivers at the close of the year. The total amount of assets realised by Receivers was 4·66 as compared with 5·64 lakhs in 1928. 4·87 lakhs were distributed by way of dividend against 4·56 lakhs in 1928. The amount in the hands of Receivers at the close of the year decreased from 1·74 lakhs to 1·53 lakhs, the largest undisbursed balances at the end of the year being reported from Mandalay (63,000), Hanthawaddy (47,000) and Pegu (20,000).

V.—DISTRICT COURTS—APPELLATE JURISDICTION.

Imperial Statement No. 31 and Provincial Statement D.

22. **Institutions and Disposals**. –The decrease in the number of appeals instituted in District Courts was commented on in the report for 1928. The number of appeals instituted in 1929 shows a still further reduction, 3,332 as compared with 3,621 in 1928. Including appeals pending from the previous year there were 3,839 cases for disposal, as against 4,177 in 1928. That the pending file was reduced from 507 to 410 appeals was due only to the decrease in institutions, as disposals fell from 3,670 in 1928 to 3,429 in 1929. Of the cases carried forward to 1929, 68 appeals had been pending for over 3 months, and 6 had been pending for over a year. The Districts of Henzada, Maubin, Amherst and Tavoy each had one appeal pending for over a year while Hanthawaddy had 2. The highest figures for pending files were reported from Bassein (51), Toungoo (28), Myaungmya (26), Thaton (23), and Pakokku (22). The Districts of Bassein (10), Toungoo (10), Myaungmya (6), Tavoy (5), Maubin (4), and Lower Chindwin (4), show the largest numbers of appeals pending for more than 3 months. In the District Court of Pakokku the pending file increased from 7 to 22, in Bassein from 39 to 51, in Thaton from 14 to 23, in Kyaukpyu from 3 to 10, in Insein from 2 to 9, and in Akyab from 11 to 17. There were substantial decreases in the pending files of Pegu (58 to 16), Pyapon (47 to 13), Henzada (34 to 12), Tharrawaddy (28 to 17) and Mandalay (22 to 14). 24. **Miscellaneous Appeals.**—The number of miscellaneous appeals instituted in District Courts during the year again increased from 476 to 579. The total number for disposal was 627, and of these 578 were decided, leaving a pending file of 49 as compared with 44 at the end of 1928. The average duration of miscellaneous appeals again fell slightly, from 44 to 43 days ; the average duration of contested miscellaneous appeals being 53 as against 58 in 1928, and that of uncontested cases 28 as against 26 days. The highest durations of contested miscellaneous appeals were recorded from Lower Chindwin (80), Bassein (76), Maungmya (71), Pegu (68), Insein (66), and Magwe (65). In two Courts the average duration of uncontested miscellaneous appeals was over 50 days, namely in Thaton (72) and Pyapon (53). More use was made of Order XLI, Rule 11, in the case of miscellaneous appeals than in the case of regular appeals. One hundred and twenty-eight cases were dismissed summarily under that rule, while 55 were dismissed for default or want of prosecution and 189 were rejected after hearing. The orders of the Original Court were upheld in 372 cases, a percentage of 64 as compared with 62 in 1928. Imperial Statement No. 32,

Receipts and Charges of the Courts.—The publication of the figures ...al receipts and total charges of the Courts formerly given in ...al Statement No. 26 (Civil) has been discontinued because of ...misleading nature of these figures. The compilation of figures ...ng a more accurate idea of the financial position of the Courts ...d intended to illustrate whether they are self-supporting ... at present under consideration.

26. ...gs.—The construction of the Court Houses of Pa-an ...t), Moulmein (Amherst District), Daiku (Pegu District), ...awaddy District), Kungyangon and Thôngwa (Hanthawaddy District), Thabaung, Yegyi and Kyaunggon (Bassein District), ...wadyab and Maungdaw (Akyab District), Oktwin (Toungoo ...), Ta-Sagu (Minbu District), and Yenangyaung (Magwe District), ...ompleted during the year under report. All the Court Houses ...oned in last year's report as being under construction were ...pleted in 1929, with the exception of the new buildings at Rangoon, ...ich are still under construction but which are expected to be ready ...or occupation by the beginning of 1931. Other works now in progress are the Court Houses at Sumprabum and Fort Hertz in Myitkyina District. Sanction to the preparation of line plans and preliminary estimates has been obtained in respect of the proposed construction of new Court Houses for Judicial officers at Myaungmya and Pyapon. Funds have not yet been provided for the construction of the new Court House at Mandalay, which was referred to in last year's report.

27. **Inspections.**—During the Long Vacation of 1929 the Hon'ble the Officiating Chief Justice inspected the Courts of the Katha, Bhamo and Myitkyina Districts. The Hon'ble Mr. Justice Baguley inspected the Courts in Myingyan, Pakokku and Magwe Districts while the Hon'ble Mr. Justice Brown inspected those in Myaungmya and Bassein.

During the year 1929 there were inspected by District Judges 106 Township Courts, 48 Subdivisional Courts, 25 Judicial Record-rooms and 78 Bailliffs' offices. Twenty-two Judges inspected their own Courts. The District Judges of Tharrawaddy, Bassein, Pyapon, and Toungoo did not inspect their own Courts. Bassein and Pyapôn were both pilloried for the same reason in the report for 1928. It is hoped that the Judges of these Courts will in future pay more attention to this very important branch of their duties.

28. **Legal Practitioners.**—During the year 1929, 37 Lower grade pleaders, 41 Higher grade pleaders, and 31 Advocates were admitted. In the report for 1928 it was mentioned that the admission of Third Grade pleaders, whose designation had now been

altered to that of Lower Grade Pleaders, was finally closed on the 17th September 1928. The explanation for the 37 admissions in the Lower Grade during 1929 is that there were admitted 10 persons who had passed the supplementary examination for third grade pleaders held in December 1927, while 27 applicants whose applications had previously been rejected for lack of knowledge of Burmese were subsequently admitted by the orders of the Acting Chief Justice. At the end of the year there were in actual practice 2,371 Lower grade pleaders, 612 Higher grade pleaders, and 380 Advocates.

In the report for 1928 mention was made of the fact that the Indian Bar Councils Act was brought into force with effect from the 1st January, 1929. The first meeting of the newly elected Bar Council was held in the Judges' Library of the High Court on the 2nd March 1929, when the Council was addressed by the late Chief Justice, the Hon'ble Sir Guy Rutledge. During 1929 there were altogether 9 meetings of the Council, which is to be congratulated on the commencement it has made in the discharge of its important duties as custodian of the honour and affairs of a great profession.

29. **General.**—It is regretted that there must be recorded the occurrence during the year under report of an epidemic of burglaries in Bailiffs' offices and exhibit rooms, Tharrawaddy, Toungoo, Minhla, and Moulmein all gaining notoriety in this way. The most serious case was the one which occurred at Toungoo. There the culprits were discovered and convicted, while the Bailiff, whose carelessness facilitated the crime, has been held responsible for a sum of over Rs. 1,000. The other three cases remained undetected, but at Moulmein as at Toungoo the Bailiff has been found guilty of carelessness, and has had to make good a portion of the loss. In addition to these burglaries there occurred two cases of embezzlement, one at Toungoo and the other at Nattalin. The case at Toungoo was one of defalcation in process-fee stamps to the value of nearly Rs. 2,000 in the Township Court. A clerk in the office has been criminally convicted, and there have been submitted to Government recommendations as regards the assessment of the responsibility of the officers presiding over the Court during the period of the defalcations. The Nattalin case is still under investigation. It also is concerned with a defalcation in Court-fee stamps. Apart from these unfortunate happenings, the Hon'ble Judges are however satisfied on the whole with the work of the Subordinate Civil Courts during 1929 and there is reason to consider that the standard of efficiency is rising.

By order,

J. E. GILLIES,
Registrar.
